

# Historical Scavenger Hunt

The Working Well Corporate Cup Challenge  
is partnering with Leon County to offer  
this scavenger hunt to the public.

## Step 1

The Leon County Scavenger Hunt runs from October 17<sup>th</sup> to October 31<sup>st</sup>. You have this timeframe to visit as many of the way markers you choose. They do not have to be completed in order or all in one day. You can take the full amount of time without penalty. Make sure location services are on for your phone.

To begin visit:

<https://bit.ly/34vyXEc>

Welcome to the 2020 Corporate Cup Challenge Historical Scavenger Hunt!

- Use this map to help navigate to the historical markers. Once you've arrived, tap the marker icon and tap "Next Step" to launch the survey question for the marker.
- Note that you do not have to create an account to access the question, but can simply continue without logging in.
- Follow the instructions to select your team name, your marker, and your answer to the question.
- Once you have submitted your answer, return to the map to navigate to the next marker.

For help, questions, or concerns please email [webgis@leoncountyfl.gov](mailto:webgis@leoncountyfl.gov)

Tap "OK" to continue.

Do not show this splash screen again.

OK

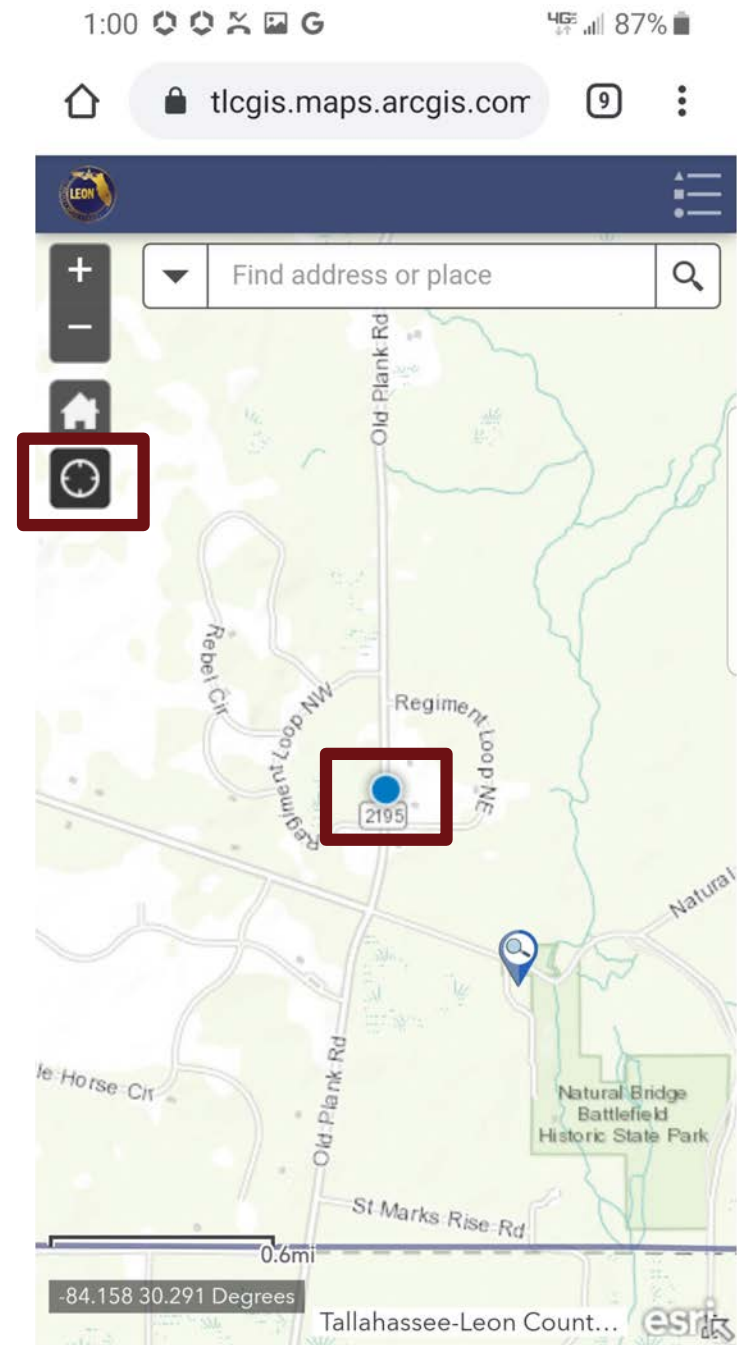

## Step 2

Press the Find Me icon to zero in on your location.

Your location will appear as a blue dot.

It is time to set out and begin your journey.

The Find Me function locks in on your location. If you need to see the map of the city tap the icon again to release your coordinates and pan / zoom. To lock back on to your coordinates just press the Find Me icon again.

# Suggestion

Since the participants will be busy navigating and searching for markers, we would like to suggest bookmarking the scavenger hunt map

# Add a Browser Bookmark IOS

From a Home screen, tap the Safari icon

Note If an app isn't available on your Home screen, swipe left to access the App Library.

Navigate to the desired web page: <https://bit.ly/2EnX6mW> then tap the More icon (at the bottom).

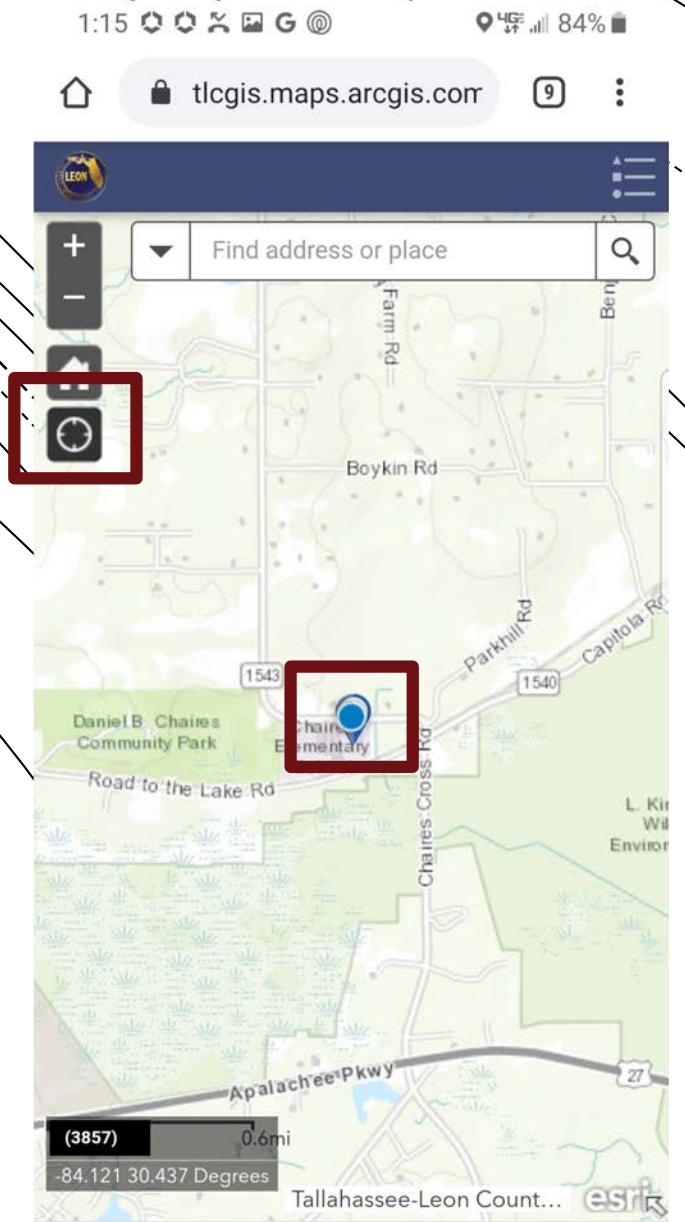

Tap Add Bookmark.

Enter the info then tap Save (upper-right).

Note By default, the label and address of the website currently visited appears.

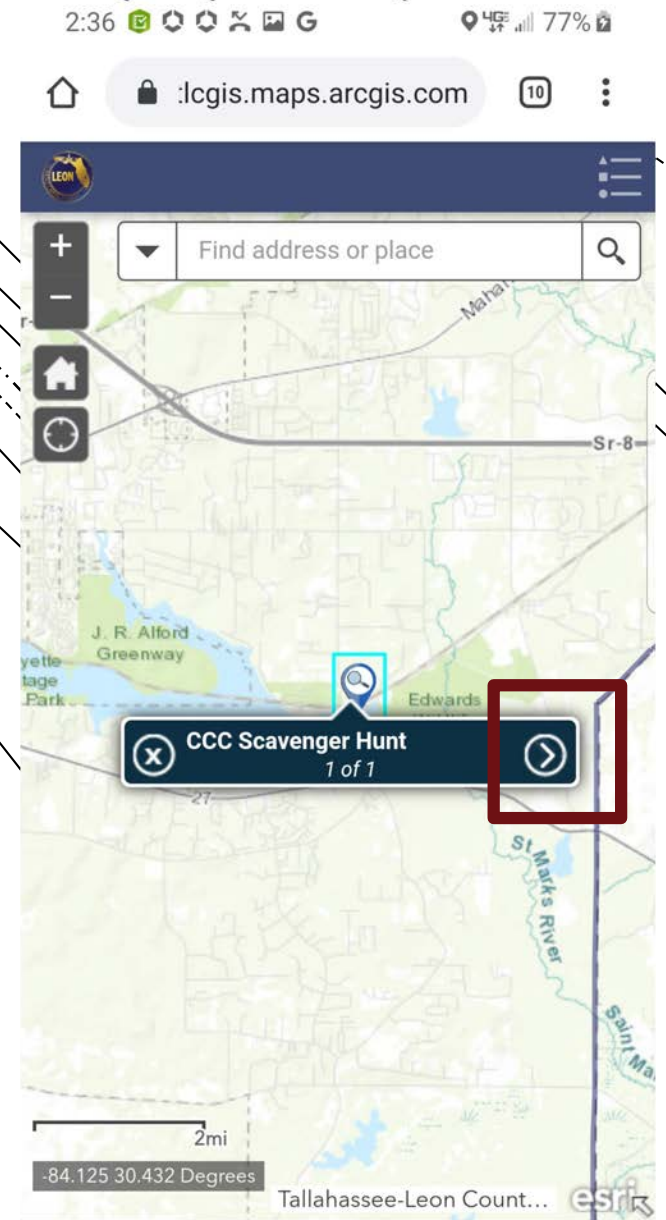

## Step 3

As you get closer to a marker you can continue to press the locate me icon to view your relationship to the marker.

## Step 4

Once you have arrived at a marker click on the map pin that represents the marker. A black box will appear. Press the right facing arrow.

## Step 5

The screen will show the name of the marker you have found.

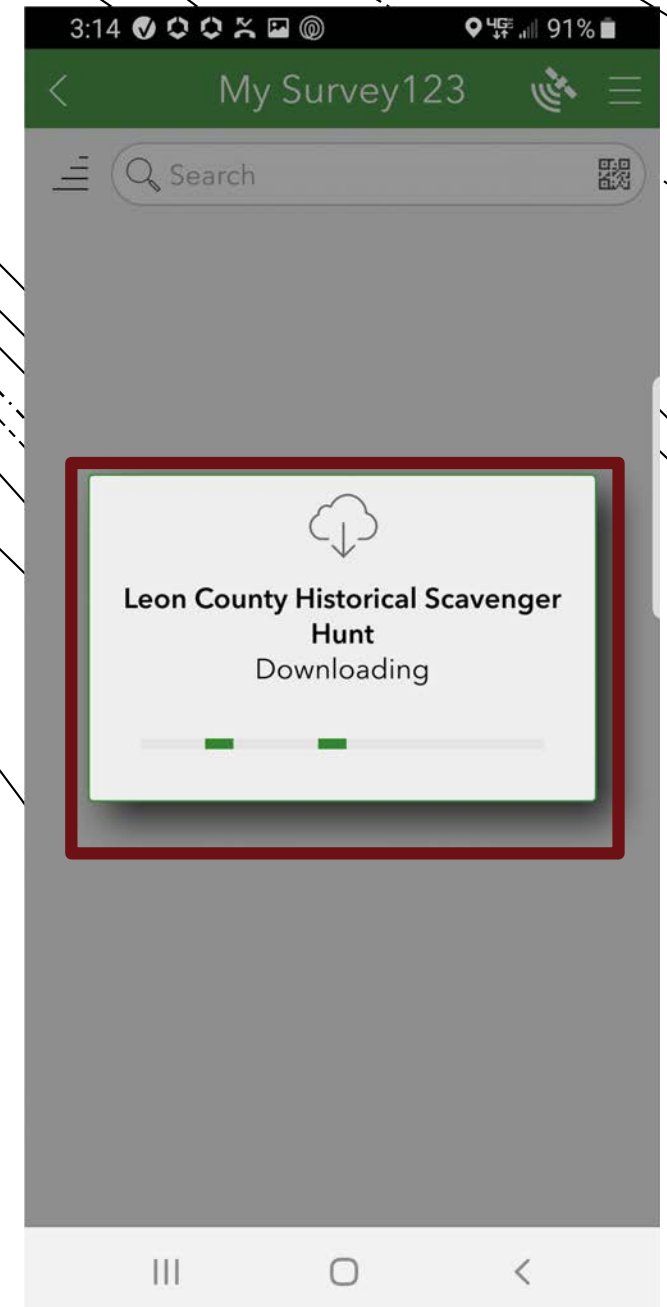

Press the Next Step button to log your information.

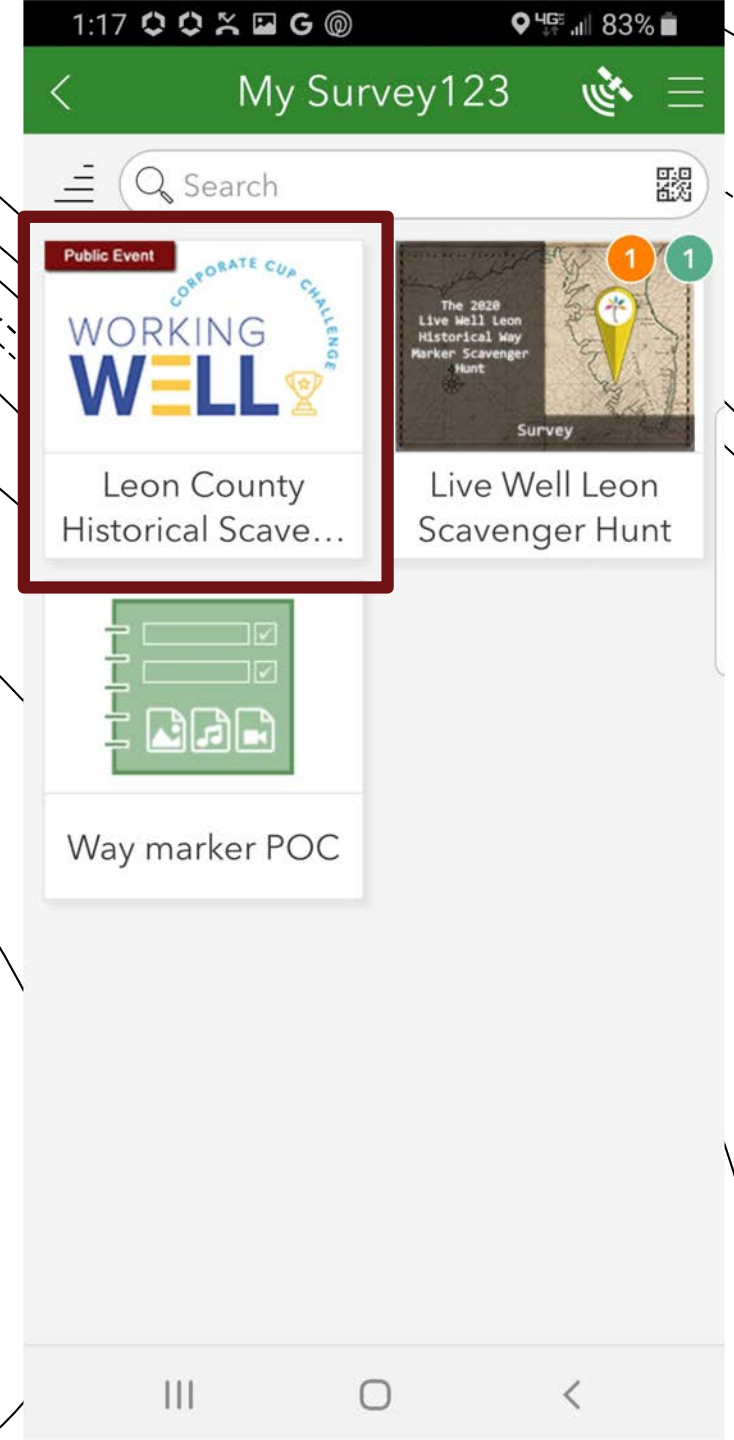

## Step 6

The first point you access will download the Survey 123 form to your phone.

## Step 7

Every point after that will **not** need to download the survey. It will be saved to the application on your phone and automatically launch into the survey.

## Step 8

Continue without signing in.

## Step 9

If prompted, allow survey 123 to take pictures and record video.

Allow **Survey123** to take pictures and record video?

Deny

Allow

Sign in with **ArcGIS Online**

Manage ArcGIS connections

Continue without signing in

## Step 10

If prompted, allow survey 123 to access the device's location.

Wednesday, September 30, 2020

Name or Team Name:

Photo with the historical marker, structure or site that is identifiable in the frame.

Allow **Survey123** to access this device's location?

Deny

Allow

Choose the Marker in the Photo Above:

Answer the Following Question:

[ [For help click here](#) ]

## Step 11

Find your name or your teams' name.

The list is in alphabetical order but auto-populate is enabled for your convenience.

## Step 17

Once your questions have been submitted you will be taken to the home page. Press the circle that is located on the bottom in the middle of the page to return to the map and either continue or stop for the day.

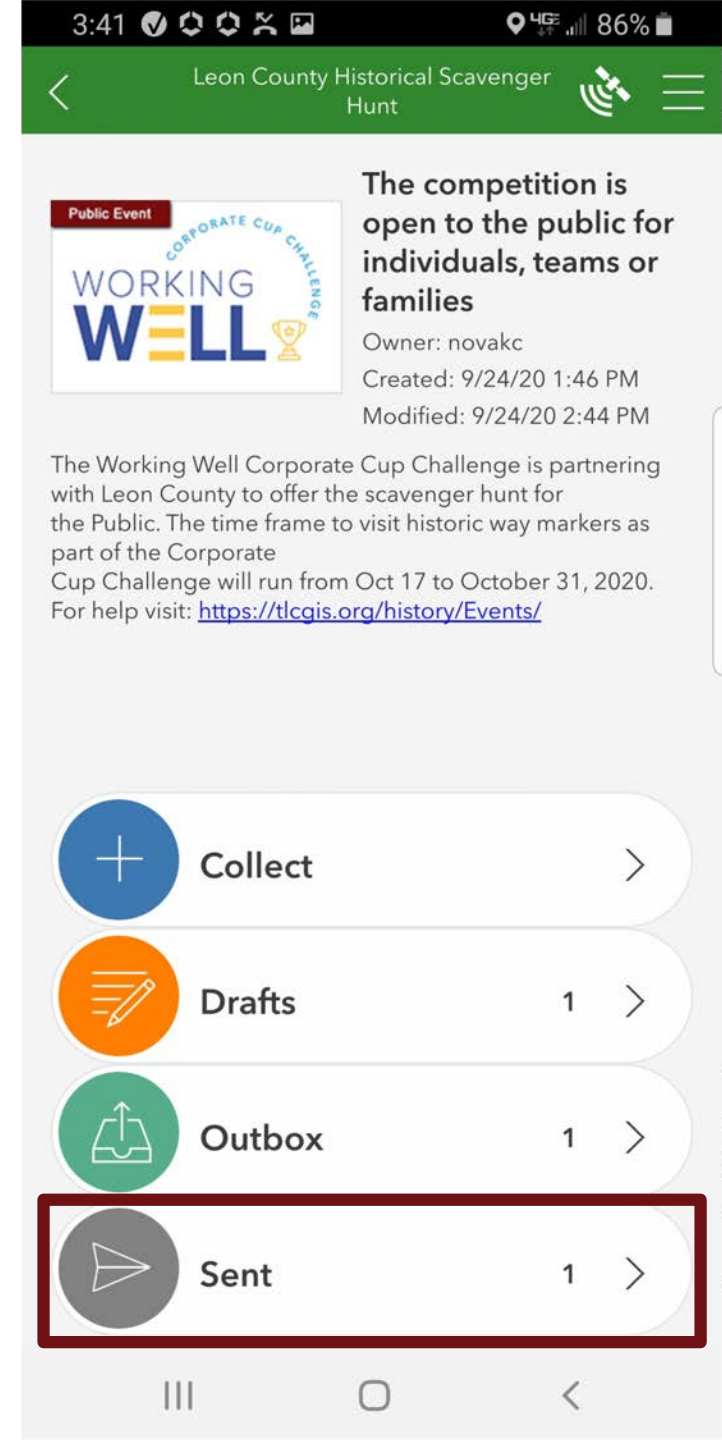

# Edit & Review

Historical Scavenger Hunt

## Step 1

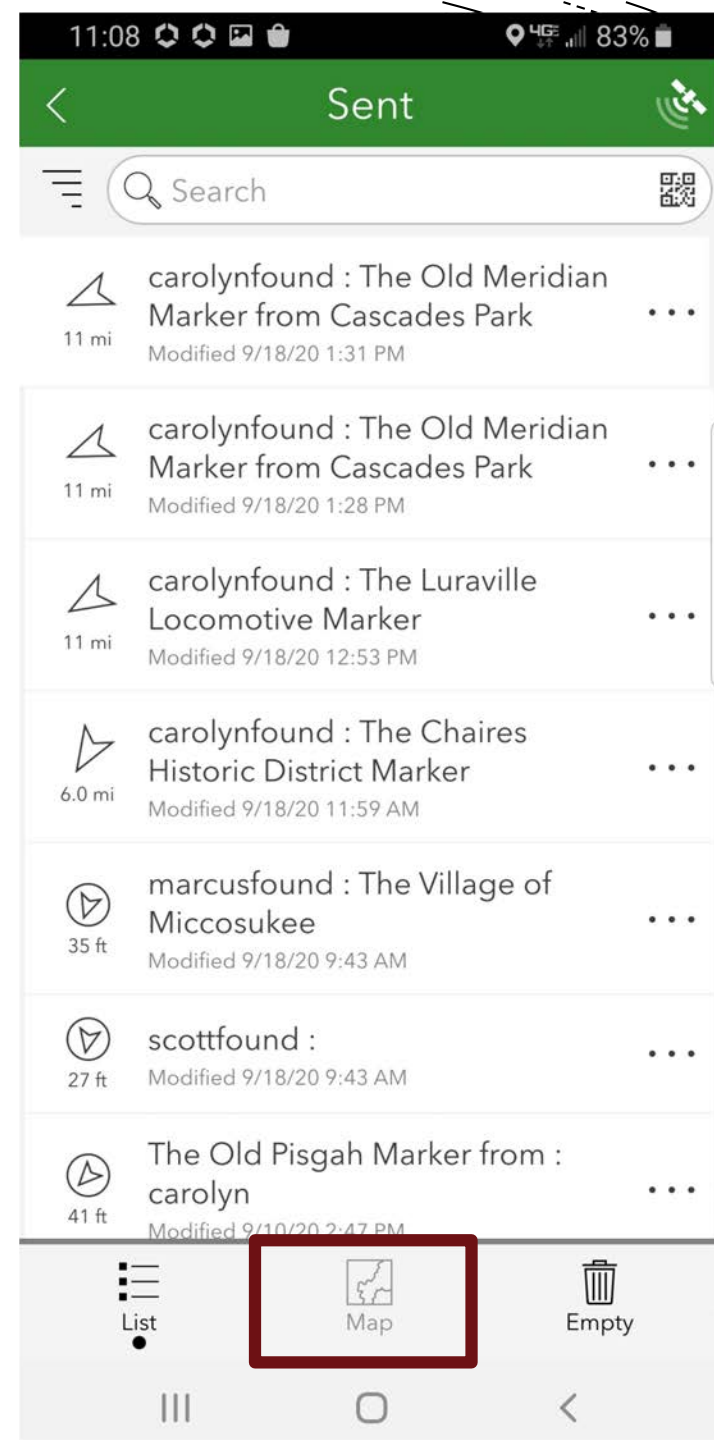

To review your entries press the Sent button on the home page.

## Step 2

### Map View

Choose the Map icon.

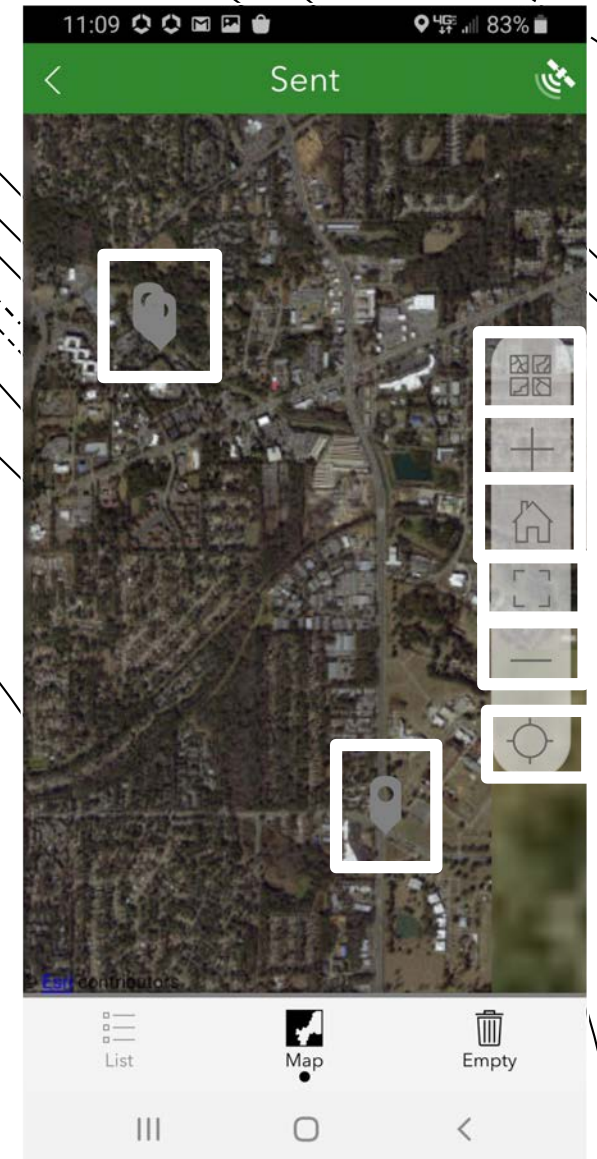

## Step 2b

### Map View

A map with your recorded points will be displayed.

Use the menu to assist in your review

1. Choose a Basemap
2. Zoom In
3. Go Home
4. Return to the Default Scale
5. Zoom Out
6. Home in on Your Location

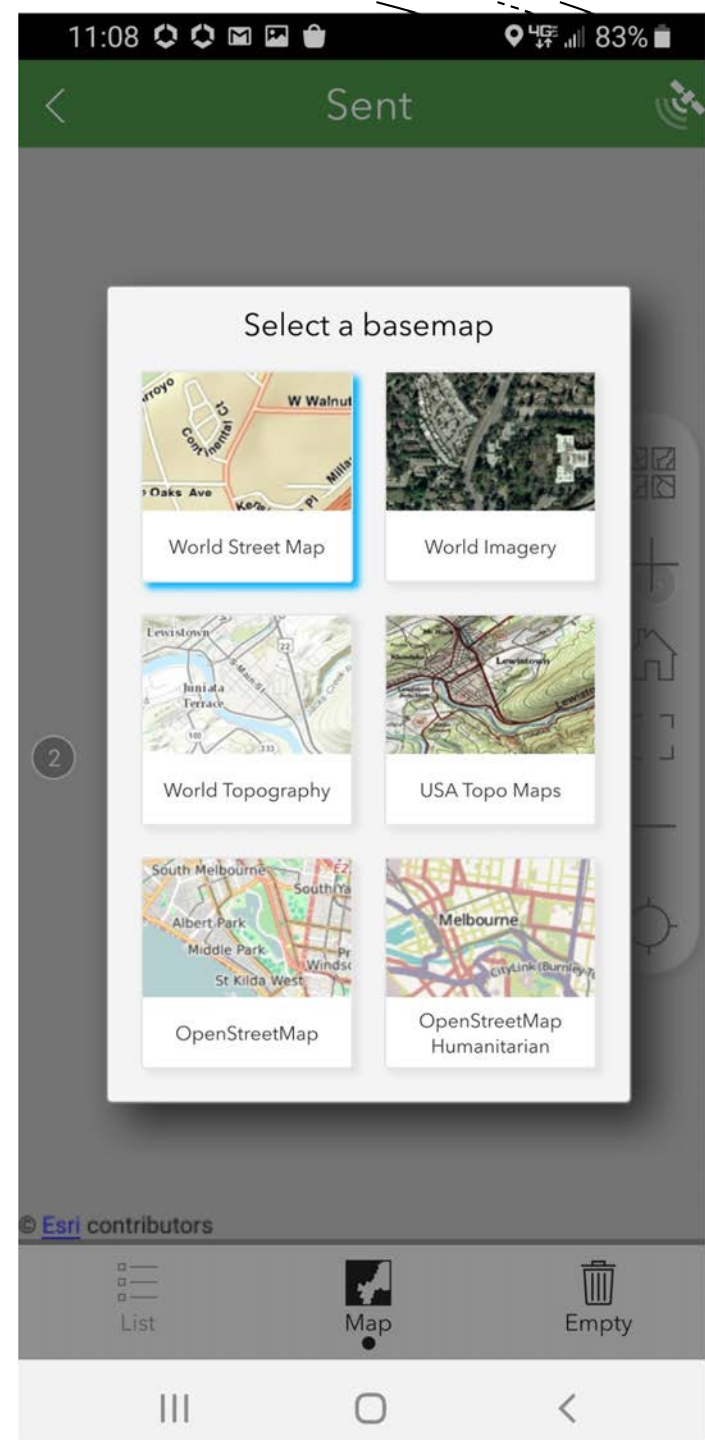

# Example 1

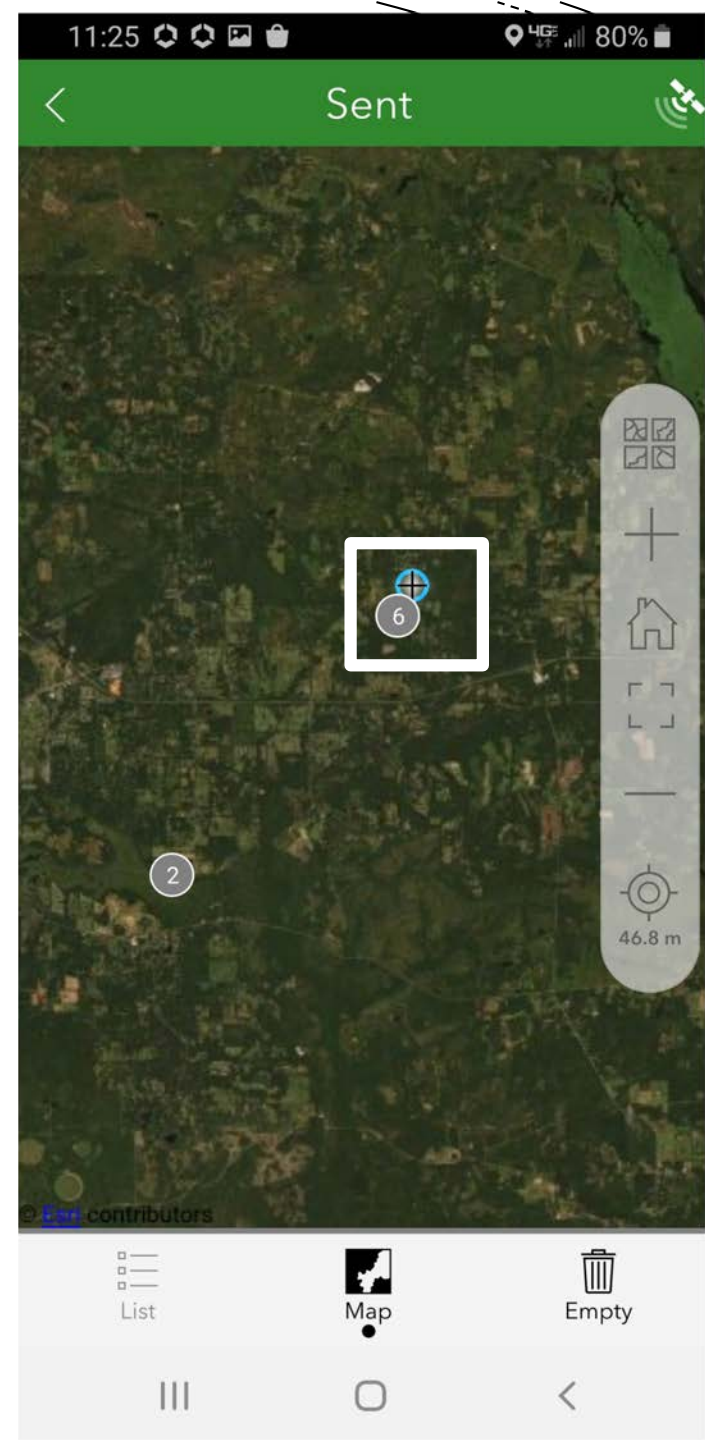

## Map View

Choose your basemap from the gallery.

## Example 2

Viewing your location with regards to what you have submitted

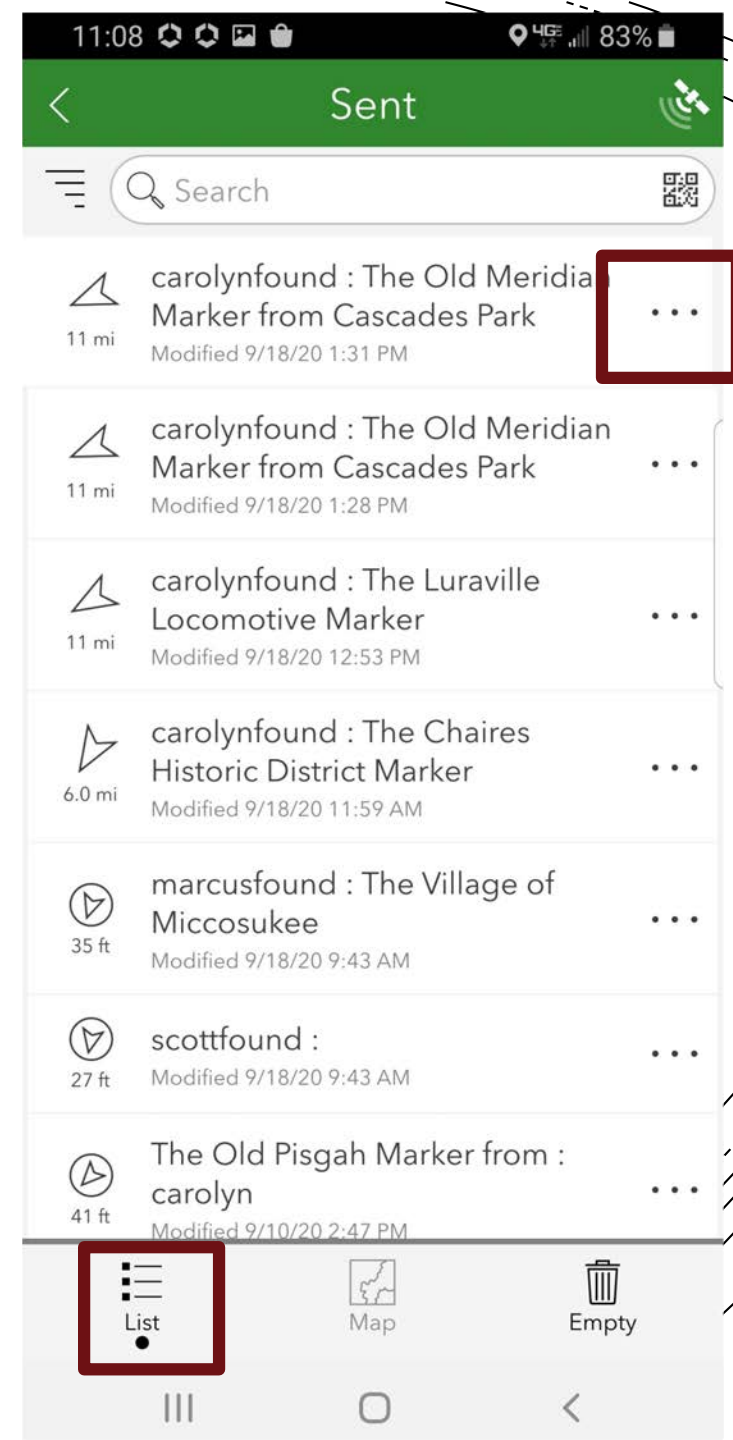

## Step 3

### List View

The sent area defaults to the list view.

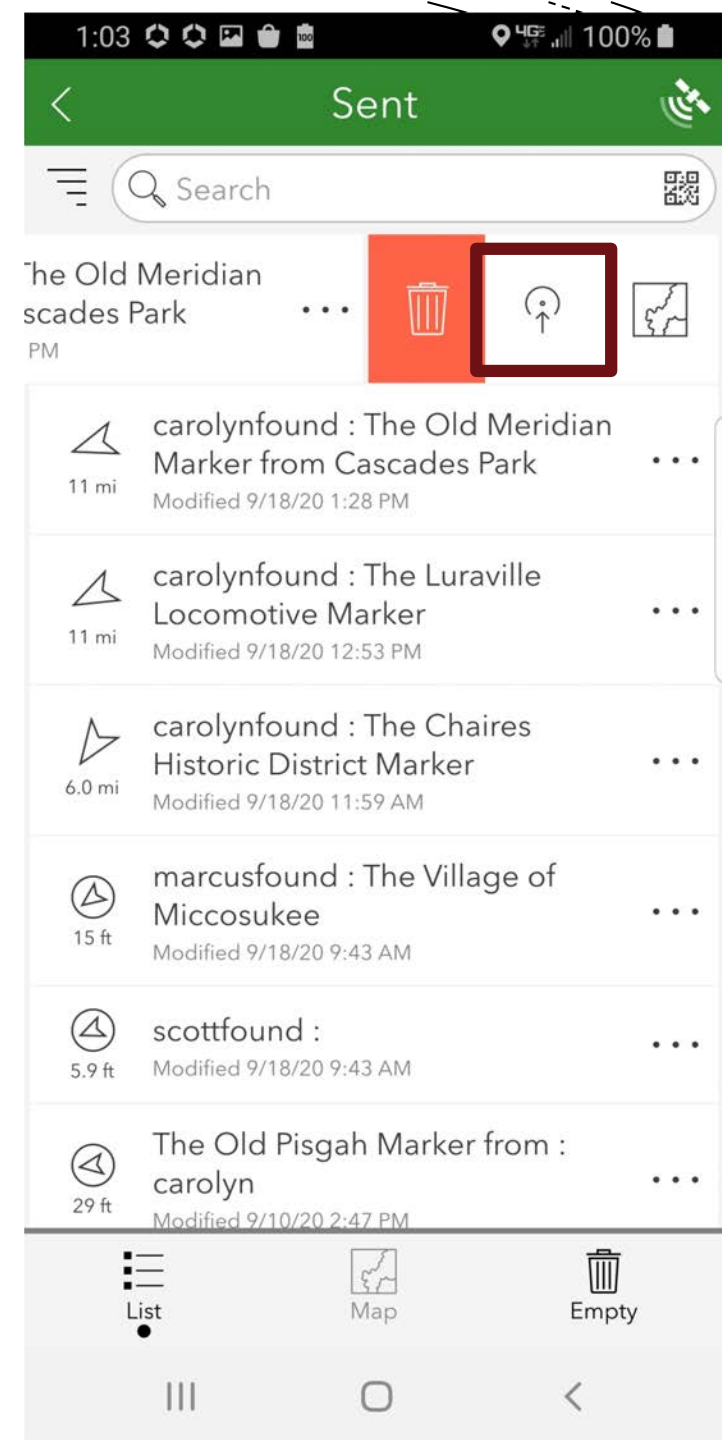

Press the ellipse for further options.

## Step 3b

### List View

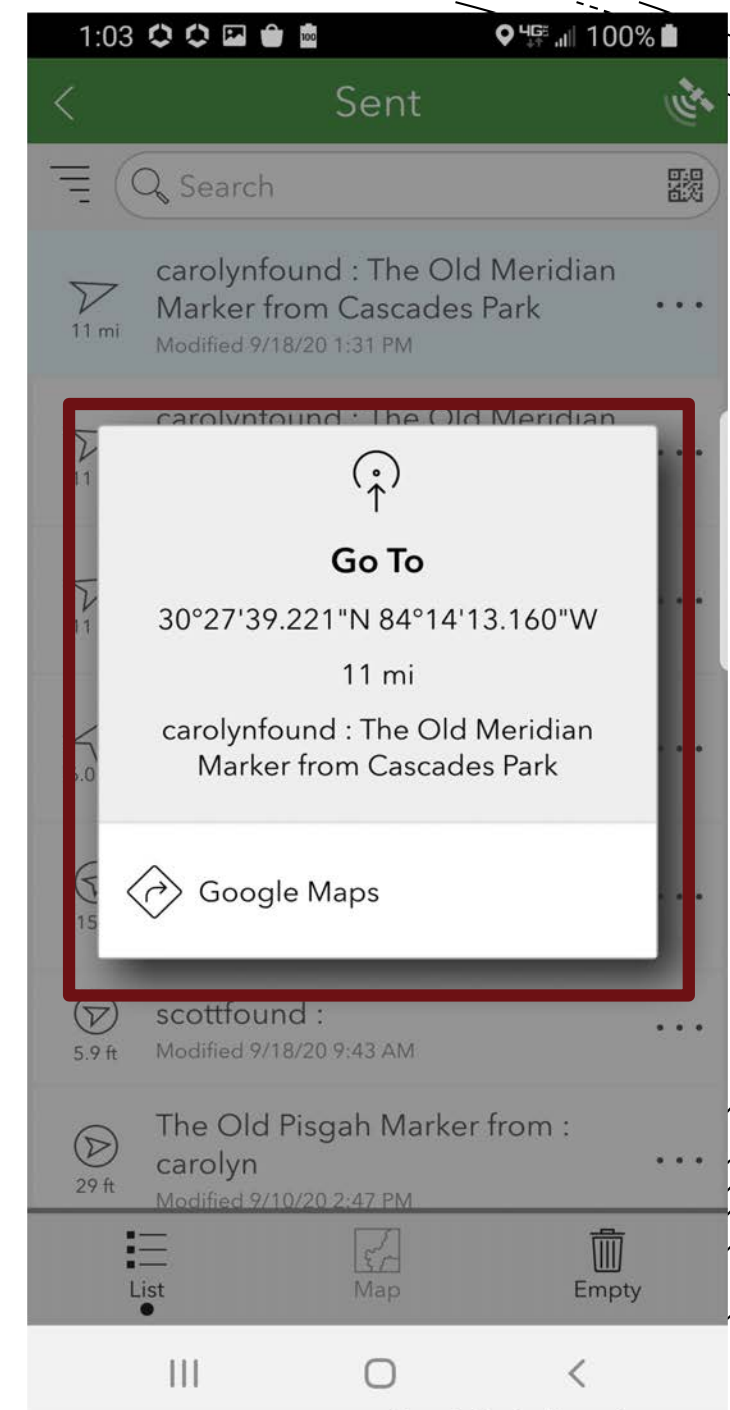

List view has a navigation option to allow you to easily revisit where you have been via Google maps. You can also delete your entry from the phone (it will not effect your entry in the cloud) and access the basemaps

## Step 3c

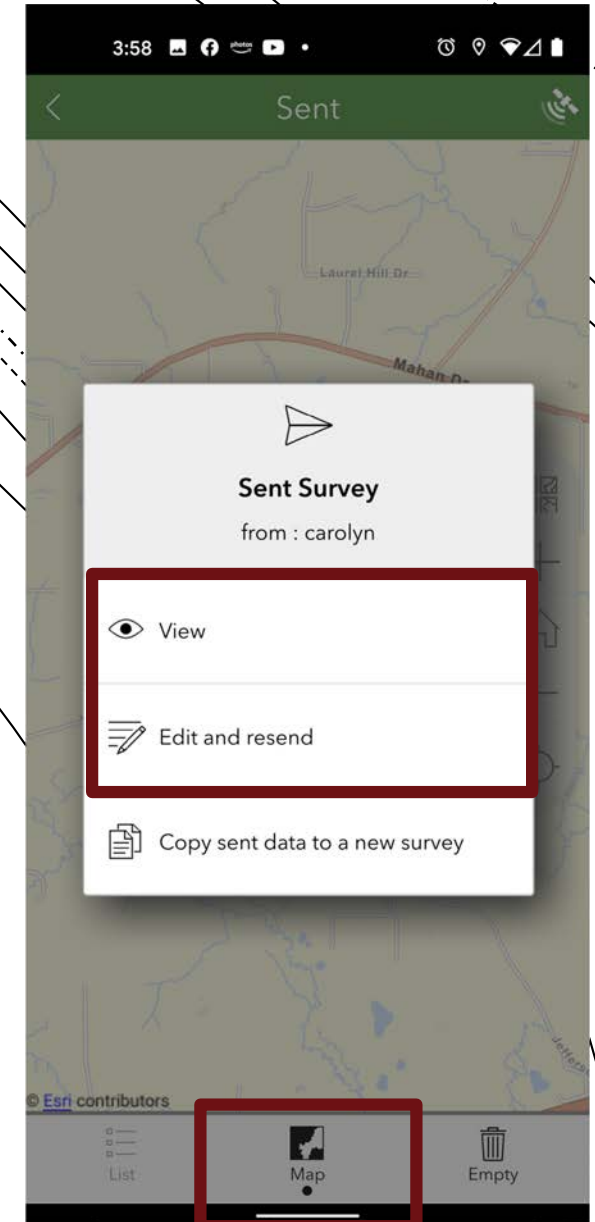

### List View

Navigation with Google Maps is only available after you have found the marker. You can use this feature to revisit the markers.

## Step 4

To adjust an entry click on the point that is displayed in Step 2 or the row displayed in Step 3. This will take you back to your submitted survey where you can make the necessary adjustment and resubmit by pressing Edit and resend.

## Step 4b

This will take you back to your submitted survey where you can make the necessary adjustment and resubmit by pressing the checkmark in the lower right corner, see Step 16 .

# Offline Use

Historical Scavenger Hunt

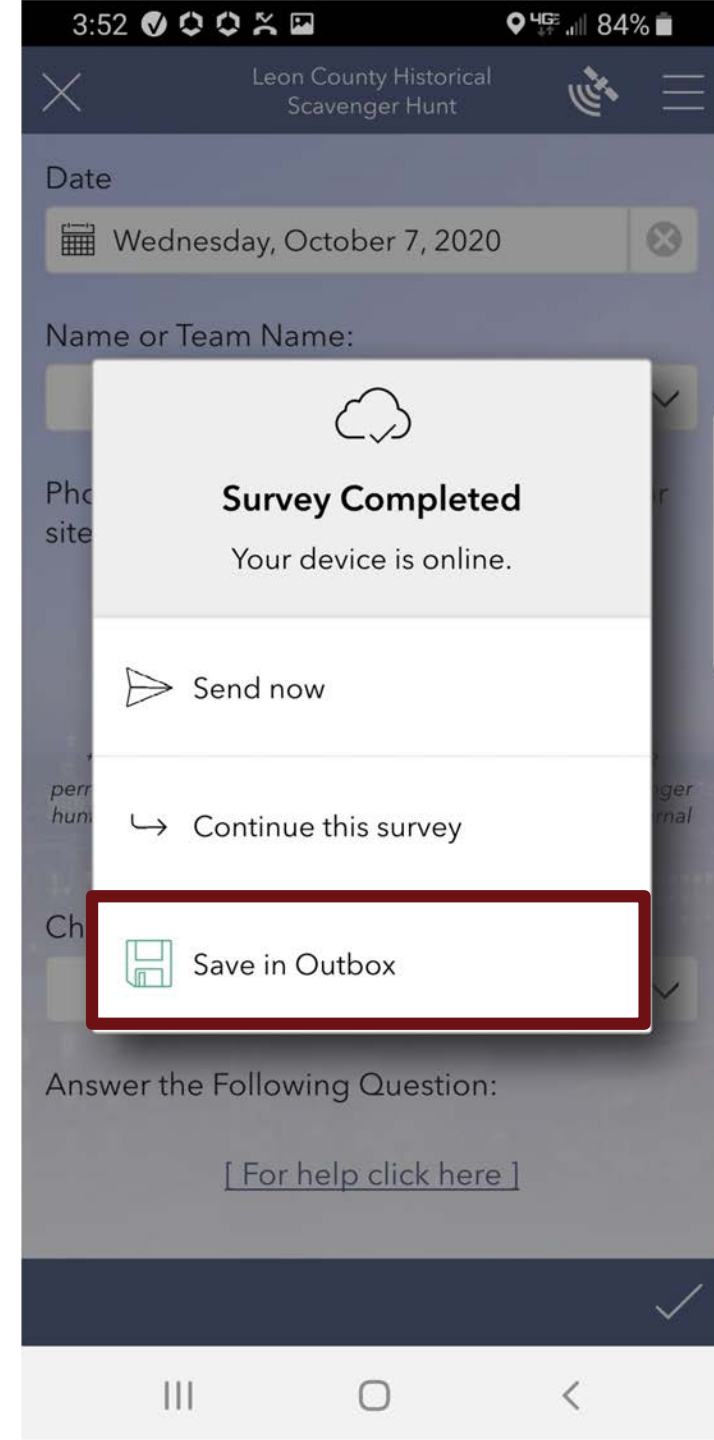

## Step 1

If you find yourself in an area without cell service, you can check if you still have location available by pressing the satellite icon.

## Step 2

This will bring up your location status. Even if this page is blank you can still make your entry and save it to the Outbox.

## Step 3

You can access your offline entries via the Draft folder. Once you have service open your draft folder and submit your entries.
