### **View Information/Details**

1. Tap the feature to enable the summary information box.

2. Tap the summary information box to access all the available feature options (copy, edit, delete, zoom to, directions to).

# Edit

1. To view the details of the feature to edit tap Edit Feature.

3. (if editing attributes) Update the form – tap a field to edit it, tap Done when field is complete.

4. (if editing attachments) Tap Attachments Tap Add to add each attachment, tap an existing attachment to download or delete it. Once downloaded, tap to rename or save to your device. Tap Done when attachment changes are in place.

5. Tap Update.

### Offline

The Initial Damage Assessment application is fully operational offline. To access the "offline" map: 1. Press the ellipse in the

lower right corner of the screen and choose Basemap.

2. Once the Basemap options are displayed choose On Device

3. Then Choose Leon County Basemap and

continue with the assessment.

### Sync

You should sync the data collected offline when you have good connectivity.

1. Go to the list of maps.

2. If a count shows next to Sync you have local changes, so tap Sync.

3. Wait for it to complete.
